

Business Development Task – Kickstarting AgentVault's First 50 Users

1. Target User Segments

Segment 1: Active Crypto Traders

Why them? Active traders seek AI tools for faster, smarter decisions.

Pain Points: Information overload, 24/7 market tracking, emotional decisions.

Where: X (Twitter), Discord, Telegram, Reddit, Binance/CoinDCX communities.

Segment 2: University Blockchain & Web3 Clubs

Why them? Early adopters eager to explore AI and crypto tools.

Pain Points: Limited professional tools, need practical experience.

Where: LinkedIn, Discord, university clubs, hackathons, Web3 meetups.

2. Sample Outreach Message

Hi [Name],

I noticed your interest in crypto and Web3. I'm working with **AgentVault**, an AI-powered crypto trading assistant that helps traders simplify research and gain market insights. We're inviting a small group of early users to test our MVP and share feedback. If you're interested, I'd love to get you early access!

3. GTM Ideas

1. Launch a University Blockchain Ambassador Program.
2. Run a Twitter/X & Discord early-access campaign with personalized outreach.
3. Create a referral challenge where users unlock premium features for successful referrals.
